ABOUT US

Michigan-based Pincanna is a vertically-integrated cannabis company with headquarters in Farmington Hills and a state-of-the-art cultivation and processing facility in Pinconning. We are a privately held company aiming to drive organic profit within the value chain and create lasting brands. Our seed-to-sale operations include cultivation, the production of branded goods and retail. We are driven by our commitment to providing quality and consistency for our customer base.

WE OFFER

- A clean, fast paced work environment
- 185 acres located on Pinconning Road
 - (Exit 181 off I-75)
- Over 47,000 Sq. Ft of flowering canopy
- Processing Facility which produces Flower, Prerolls, Edibles, Concentrates, Cartridges and more.
- Competitive Salaries
